

General Minutes of Bon Vivant Island Club Meeting of 04/08/06

A meeting of the Officers and some members of the club was held at the home of Simone and Barry Greaux to discuss outstanding issues relative to our upcoming first party on June 10, 2006. The meeting was called to order at 10:30 AM

It was noted that we have had excellent response for membership in our new club as well as for attendance to our upcoming party. It was decided that the President, Gloria Feinauer would prepare a friendly reminder to those individuals who have indicated that they will be attending the function but who have not yet paid their banquet fees. The note will also serve as a reminder about the need to make hotel reservations before the deadline in order to take advantage of the special rate given to club members.

Gloria discussed the need for decorating the banquet room for the function starting at 2PM Saturday and a decorating committee was established from the attendees at the meeting.

It was decided that raffle tickets would be sold for items donated by the club and its members and everyone was enthusiastic about this opportunity to help the club raise funds.

It is the Club's goal to announce the location of next year's function during the June 10th party. We are currently looking at the Orlando area.

It was decided that we would continue to post birthdays and anniversaries on the website and that the postings would be removed at the end of the week following the event.

Everyone present complimented MONEUS on the outstanding website developed for our club and the professionalism of Sue Blanchard for bringing items of importance to the attention of the Club President for action.

Several members attending the meeting provided birthdays and anniversaries for posting on the web and these will be forwarded to the webmaster.

The meeting adjourned at 1:30 PM after which lunch was served and Barry and Simone Greaux hosted an island party at their home. Everyone expressed appreciation to the Greaux's for their superb hospitality.
