Greetings Everyone!

The Bon Vivant Island Club Party is fast approaching and will be held on June 5 and 6 at the Holiday Inn Hotel and Suites Oceanfront Resort in Daytona Beach. Please mark these dates on your calendar as we are looking forward to seeing all of you there. Reservations for the hotel may be made anytime by calling 1-800-804-7851. Be sure to identify yourself with the Bon Vivant Island Club. The rate for an oceanview room is \$99 plus 12.5% tax and for city view is \$89 plus 12.5% tax. The deadline for reservations is May 10, 2009.

March is around the corner and therefore membership renewals are due. The cost is \$15 per person and \$25 per couple/family. A membership form is attached for your convenience. Please fill out the form and send it with your check to Joan Andrusko, 305 Summerset Bay Drive, Cross Hill, SC 29332. Membership fees are used to cover mailings, postage, computer fees and incidentals, and have also helped to keep the admission costs of the banquet affordable. We are looking forward to your support in the payment of dues by the March due date. Thank you!

In the near future, more information will be sent to you regarding our 4th annual party. The information will include details about the menu, the agenda for Friday and Saturday nights, as well as the banquet costs.

In the past, our cruise raffle has been successful, and we thank everyone who participated. This year more than ever, we are counting on your support to sell as many individual chances as possible. We know it might be difficult to sell a whole book, but we will accept as many tickets as you can sell and/or buy. If you have not yet returned your raffle books to Joan Andrusko, please do so by March 31st even if the entire book is not sold. We need to keep an accurate count of all the raffle books, so please help us with this project as soon as possible. Mail them to Joan at 305 Summerset Bay Drive, Cross Hill, SC 29332.

In the meantime, do keep well, and we will see you in Daytona on June 5th.

God bless,

Gloria (386-761-1979) rf-gf@clearwire.net
